**Georgia Trend Magazine Names Allconnect #17 on Georgia Fast 40 List**

**ATLANTA, July 27, 2010** –*Georgia Trend* magazine, the Association for Corporate Growth Atlanta, and Cherry, Bekaert & Holland LLC have named Allconnect to this year's "Georgia Fast 40 List" which recognizes the state's fastest growing companies. The complete list is in *Georgia Trend's* July issue.

The annual Fast 40 List accepts nominations for Georgia-based companies in the Small Middle Market category with current revenues between \$20 and \$60 million and the Large Middle Market category with \$60-\$500 million in current revenue. 20 firms are honored in each category. Allconnect was recognized as #17 in the Small Middle Market category at *Georgia Trend's* Awards Banquet recently at the Ritz Carlton in Buckhead.

"Allconnect reached a 'tipping point' in 2009, and our growth continues to accelerate in 2010," said Mark Miller, Allconnect CEO. "It's great to see our hard work pay off for our customers, employees, and investors. The recognition by *Georgia Trend* not only reinforces our progress but also affirms the value we are providing to millions of consumers across the country."

"Throughout the selection process we identified common trends among the Fast 40 companies including a strong leadership team who invested in innovation during a tough economy," said Kip Plowman, managing partner of CB&H Atlanta.

Winning firms demonstrated the highest weighted three-year average growth in revenue and employment with 75% toward revenue growth and 25% towards employee growth.
