Allconnect Names Scott Oakley as Vice President – Partner Development

ATLANTA, November 12, 2009 – Allconnect Inc. has named Scott Oakley as Vice President–Partner Development. In this new position, he will lead the company's efforts in partnering with real estate companies and online real estate channels for Allconnect. Oakley's responsibilities will include evaluating markets and developing strategic alliances within the real estate vertical.

Prior to Allconnect, Oakley was the VP of Sales for Reply.com where he led their national sales force. His previous roles included VP of Sales and Business Development for Connecting Neighbors, a division of Reply. In that position, he and his sales team sold, hosted, and maintained over 16,000 neighborhood web sites for real estate agents and homeowner associations across the country. Oakley has also held leading positions with Realtor.com, IPIX, and REMAX corporate regions.

"The real estate industry is an area that has significant growth potential," said Allconnect CEO Mark Miller. "By developing relationships with Realtors, we will be able to reach more consumers who can benefit from Allconnect's free, one-stop solution to saving time and money in managing household services."

About Allconnect, Inc.

Allconnect is the leading provider for connecting consumers with household services including gas and electric utilities, high speed Internet, home phone service, cable and satellite TV, and home security systems. The company offers a convenient, simple, and objective one-stop source for comparing options and pricing, whether consumers are transferring or establishing household services during a move or simply wanting to ensure they are on the best plan for their budget. This service is offered at no charge, online or by phone. Founded in 1998, Allconnect has assisted millions of people through its strategic partnerships with many leading utility companies and a variety of service providers across the U.S. Allconnect is headquartered in Atlanta, Georgia, with offices in St. George, Utah, and employs more than 500 associates.
